## An Invitation to Short Term Mission in Estonia

Estonia: one of four non-religious countries in the world (according to Operation World). What a fabulous opportunity to make a difference!

Alongside Ministries is sponsoring a short term mission trip to Rapla, in central Estonia.

*Our ministry focus will be on Rapla as a County, in line with Estonia's need for a regional mission focus. There are a couple of light construction/work projects to help local churches. We will also offer a two day English day camp for kids.*

There are intriguing museums and great hiking opportunities close by, so we will make the most of those options for our down time.
